2017-2018 Home-School Class Fees & Policies

- 1) Students are expected to come on time, be prepared, and be ready to learn and actively engage in activities and discussion. Students are also expected to be courteous and respectful to each other, the teacher and their parents.
- 2) Students who are ill are welcome to attend class via Skype. Please do not come if you are sick: it doesn't help you recover and it spreads the illness to others!
- 3) In case of inclement weather, class will meet over Skype. Parents are to use their own discretion in deciding to attend in person or on Skype.
- 4) Once you sign up for a class, it is expected that you follow through with it until the end of the school year. Payment of tuition is required regardless of class attendance.
- 5) Tuition is expected to either be payed in full or be enrolled to be automatically deducted monthly from a checking account prior to the beginning of the class. This guarantees that the class will occur for the entire year for all who sign up.
- 6) In order for the class to take place, there needs to be a minimum of 6 families signed up. This helps ensure a healthy discussion from a variety of viewpoints. Parents are welcome and encouraged to sign up for the class as well at the "Sibling" rate. This allows the parent to get the Student group rate for SLSO Concerts.
- 7) A list of concerts and prices will be posted for discounted group tickets to the St. Louis Symphony Orchestra. Anyone may purchase tickets through the studio and certain concerts come with free pre-concert lectures at Powell Hall. Payment for the tickets is due by the due date and once purchased cannot be refunded (as per SLSO policy).

Important Dates: Classes run between Labor Day and Memorial Day with a Fall Break the week of Thanksgiving, Winter Break the last week of December plus the first week of January, No Classes March 5-11, and Spring Break the last two weeks of March.
